

# **GUTHRIE COUNTY COMMUNITY RESOURCES**

This information is provided to patients who are potentially seeking assistance for continued care after hospitalization at Guthrie County Hospital. Patients are provided this list to guarantee their freedom of choice for the organizations that provide services after hospitalization.

**Social Services at Guthrie County Hospital will assist patients in coordination of services for no additional cost.**

If there are questions, concerns, or you have made a decision on what services you would like, please notify the Guthrie County Hospital Social Services representative, Jennifer Kesler for any further assistance you or your family should need.
