## Descriptions and Pricing Information

### **Blended Learning Opportunities**

Blended Learning combines an online learning portion with a hands on skills session. The online portion does not have to be completed in one sitting, students can work on a few modules at a time and come back later so it can be done at their own pace. Once the online portion is completed, students will print off a certificate. The skills session is completed in person with a GCH CPR instructor. Students must have completed online portion prior to skills sessions.

Approximate time requirements for skills practice and testing:

Heartsaver CPR AED--45-90 minutes

Heartsaver First Aid CPR AED--90 minutes-2.5 hours

Heartsaver Pediatric First Aid CPR AED--90 minutes

Cost for skills session: \$50
