# Bright Futures Previsit Questionnaire
## 7 Year Visit
For us to provide your child with the best possible health care, we would like to know how things are going. Please answer all of the questions. Thank you.

### What would you like to talk about today?

Do you have any concerns, questions, or problems that you would like to discuss today?

We are interested in answering your questions. Please check off the boxes for the topics you would like to discuss the most today.

WELL CHILD/7 to 8 years
Bright Futures Patient Handout
7 and 8 Year Visits

Doing Well at School
- Try your best at school. Doing well in school is important to how you feel about yourself.
- Ask for help when you need it.
- Join clubs and teams you like.
- Tell kids who pick on you or try to hurt you to stop it. Then walk away.
- Tell adults you trust about bullies.

Playing It Safe
- Don’t open the door to anyone you don’t know.
- Have friends over only when your parents say it’s OK.
- Wear your helmet for biking, skating, and skateboarding.
- Ask a grown-up for help if you are scared or worried.
- It is OK to ask to go home and be with your Mom or Dad.
- Keep your private parts, the parts of your body covered by a bathing suit, covered.
- Tell your parent or another grown-up right away if an older child or grown-up shows you their private parts, asks you to show them yours, or touches your private parts.
- Always sit in your booster seat and ride in the back seat of the car.

Eating Well, Being Active
- Eat breakfast every day.
- Aim for eating 5 fruits and vegetables every day.
- Only drink 1 cup of 100% fruit juice a day.
- Limit high-fat foods and drinks such as candies, snacks, fast food, and soft drinks.
- Eat healthful snacks like fruit, cheese, and yogurt.
- Eating healthy is important to help you do well in school and sports.
- Eat with your family often.
- Drink at least 2 cups of milk daily.
- Match every 30 minutes of TV or computer time with 30 minutes of active play.

Healthy Teeth
- Brush your teeth at least twice each day, morning and night.
- Floss your teeth every day.
- Wear your mouth guard when playing sports.

Handling Feelings
- Talk about feeling mad or sad with someone who listens well.
- Talk about your worries. It helps.
- Ask your parent or other trusted adult about changes in your body.
- Even embarrassing questions are important. It’s OK to talk about your body and how it’s changing.

Bright Futures Parent Handout
7 and 8 Year Visits

Here are some suggestions from Bright Futures experts that may be of value to your family.

**Staying Healthy**
- Eat together often as a family.
- Start every day with breakfast.
- Buy fat-free milk and low-fat dairy foods, and encourage 3 servings each day.
- Limit soft drinks, juice, candy, chips, and high-fat food.
- Include 5 servings of vegetables and fruits at meals and for snacks daily.
- Limit TV and computer time to 2 hours a day.
- Do not have a TV or computer in your child’s bedroom.
- Encourage your child to play actively for at least 1 hour daily.

**Safety**
- Your child should always ride in the back seat and use a booster seat until the vehicle’s lap and shoulder belt fit.
- Teach your child to swim and watch her in the water.
- Use sunscreen when outside.
- Provide a good-fitting helmet and safety gear for biking, skating, in-line skating, skiing, snowboarding, and horseback riding.
- Keep your house and cars smoke free.
- Never have a gun in the home. If you must have a gun, store it unloaded and locked with the ammunition locked separately from the gun.

**School**
- Attend back-to-school night, parent-teacher events, and as many other school events as possible.
- Talk with your child and child’s teacher about bullies.
- Talk to your child’s teacher if you think your child might need extra help or tutoring.
- Your child’s teacher can help with evaluations for special help, if your child is not doing well.

**Healthy Teeth**
- Help your child brush teeth twice a day.
- After breakfast
- Before bed
- Use a pea-sized amount of toothpaste with fluoride.
- Help your child floss her teeth once a day.
- Your child should visit the dentist at least twice a year.
- Encourage your child to always wear a mouth guard to protect teeth while playing sports.

**Your Growing Child**
- Give your child chores to do and expect them to be done.
- Hug, praise, and take pride in your child for good behavior and doing well in school.
- Be a good role model.
- Don’t hit or allow others to hit.
- Help your child to do things for himself.
- Teach your child to help others.
- Discuss rules and consequences with your child.
- Be aware of puberty and body changes in your child.
- Answer your child’s questions simply.
- Talk about what worries your child.
